

Wavendon

Milton Keynes

Client: The Fairfield Partnership
Local Authority: Milton Keynes Council

Project Description:
Construction of up to 240 dwellings, public open space and ancillary infrastructure

Case Study:
JB Planning Associates has successfully promoted this site through the local plan process since 2005, with the site identified within the Strategic Land Allocation Development Framework 2013.

JB Planning Associates subsequently prepared an outline planning application for the site, including all the masterplanning and urban design work and organised a public exhibition, engaging with the Strategic Land Allocation Stakeholder Group in 2014.

In June 2016 Milton Keynes Council granted outline planning permission.
